Abstract:

*The term “capacity” represents an inter discipliner interest field. The axiological-teleological-praxis valences of this notion imply exact sciences perspective attack, of psychology, philosophy, law philosophy too, mainly. Attacked from the law general theory perspective, this “capacity” term is wearing the **juridical capacity** content, its definition, characters and evolution represent a doctrinaire’s constant care, the gravitation axis of the legislator and one of the law application major objectives.*

Key words: *juridical capacity, law subject, subjective rights, juridical obligations*

JEL classification: *K10*
